Programme	TEXTILE AND FASHION DESIGNING			
Course Name	TEXTILE DECORATION			
Type of Course	MPC			
Course Code	MG1MPCTFD100			
Course Level	100			
Course Summary	This course provides an in-depth understanding of various surface embellishment techniques used to enhance the aesthetic appeal and market value of textile and fashion products. It introduces students to traditional and contemporary methods such as embroidery, applique, patchwork, fabric painting, and beadwork. Through hands-on practice and design exploration, students will develop skills in executing embellishment.
